Wednesday Morn

My dear Brother

I have the painful task to inform you that General Hamilton was this morning wounded by that wretch Burr but we have every reason to hope that he will recover. May I advice that you repair immediately to my father, as perhaps he may wish to come down – My dear Sister bears with saintlike fortitude this affliction;

The Town is in consternation, and there exists only the expression of Grief & Indignation.

Adieu my dear Brother remember me to Sally, ever yours
